AUBURN PARK NEWS

Little Rudolph Leraner was killed at 78th and Carpenter Sts. a few days ago when he ventured to slide from a cement mixer on which he was riding. He slipped and was knocked unconscious by the fall to the ground. His body was badly crushed when the left hind wheel passed over him. He died shortly after as Mrs. Beck and Mr. Bloom of the Auto Sales at 77th St. came to his assistance. Elwyn Manely, who resides at 7646 Carpenter St., witnessed the accident.

The sympathy of the neighborhood is extended to Mr. and Mrs. M. A. Crosby, 8059 S. Peoria St., occasioned by the loss of Mrs. Crosby's brother, Mr. Edward Gara, who passed away last week after a lingering sickness. Mr. Gara served with the 131st Supply Train in France, where he contracted the sickness which caused his death. He was released from the hospital in France and came home to Mrs. Crosby, his sister, who spent months trying to nurse him back to health, but her efforts were in vain. He was buried from St. Leo's church with a full military funeral, which was attended by a host of relatives and friends.

John Carrier, who died on Thursday, was buried from his late residence, 7814 S. May St., on Saturday. The requiem mass was sung at St. Sabina's church and the interment was at Mt. Olivet. He is survived by his parents, three sisters and three brothers.

The Robert Emmet Council, A. A. I. R. R. held a special meeting at St. Anne's hall Saturday, March 19th, on a call from President O'Grady for volunteers, and it was certainly a glorious success. The members are very much aroused over the contest for a pennant between the leading councils for membership and this council is anxious to win. The contest is narrowed down to five leading councils, namely, Napper Tandy, north side, 1,900 members; Robert Emmet, 1,800; Thos. Davis Visitation, 1,700; Patrick Pearse, 1,600; Smith O'Brien, St. Cecelias, 1,300. The Robert Emmet is handicapped on account of the many entertainments staged in the past, while all the others had a clear field. The drive ends March 31st, giving them only a ten days' campaign, but judging by the enthusiasm displayed Saturday night they will make good. The meeting was a spirited, lively one and was addressed by Martin Higgins, Alderman Terence Moran, D. J. Normoyle, Sergt. Prendergast and young Master Corcoran of 7718 S. Park Ave., whose mother brought in over 100 members in a few month. Ald. Moran, who brought Mary McSwiney here and was instrumental in making St. Patrick's day a holiday, made a hit with the audience. Sergt. Prendergast made an impassioned appeal for membership and although sick and feeble, turned in fifty new members and pledged 100 more. President O'Grady, the tireless worker, made a special plea and distributed a large number of application books.

The next meeting and last call will be at the same place Wednesday, March 30th, and we appeal to all patriotic men and women who believe in the principles that Emmet died for to rally to his standard and not allow him to go down to defeat. A prominent speaker will address the meeting and Mrs. C. S. Kelly, the superb soprano, who delighted St. Anne's Nov. 23rd, has volunteered to come once more and sing new songs. Come early and vote for Robert Emmet.

AUBURN PARK FEDERATED CHURCH

Choir Banqueted

The members and friends of the Auburn Park Federated church, under the leadership of Mrs. H. A. Huber, gave the church choir a splendid banquet recently. For the past several weeks there has been a growing interest in the choir work. This banquet was but a slight expression of appreciation upon the part of the church for the excellent work that is being done by the choir.

Easter Social

The ladies of the Federated church gave an Easter social Friday evening. There were a number of people out and all seemed to have had a very good time. There was a short program given on which there were several good numbers. Easter articles made by the ladies and coffee and doughnuts were on sale. After a pleasant evening all left with a greater admiration for that splendid group of ladies.

Special Easter Services

On Easter Sunday morning the Auburn Park Federated church will have a joint service with the Sunday school and the regular morning congregation for a special Easter service. Special Easter music is being prepared by the choir. Members of the intermediate and senior departments of the Sunday school will present the "Triumph of Love." The pastor's message will be "The Triumphant Life." The Amicae Verae class will have charge of the decorations.

The many friends of Jessie Miller were very much shocked to learn of her sudden illness and operation for appendicitis on last Saturday morning. She underwent the operation successfully and is now getting on as well as could be expected.

At the meeting of the Illinois Assembly of the National Circle, Daughters of Isabella, on Saturday, March 19th, at the Morrison hotel plans were completed for the "International Musical Review" to be given at the Ayran Grotto on May 29th and 30th.

This affair promises to be the best and biggest affair ever given by the Chicago circles and is under the able direction of Bert Peters. Rehearsals are being held every Saturday evening at the Chicago Chapter K. C. club rooms. The services of some very fine artists who are members of the Daughters of Isabella have been obtained for this affair and anyone who does not keep this date in mind and misses this "Musical Review," which will be given at popular prices, will surely regret it.

The Deputy State Regent, Mrs. Minerva Boyd, is chairman and is assisted by the following committee: Mrs. Mabel Abraham, Mrs. M. McCoulough, Miss Margaret O'Malley, Miss Mae Flynn, Miss Marie Dwyer, Mrs. Della Qualter, Mrs. J. Sullivan, Miss Mae Callahan, Mrs. Mary Lesson, Mrs. M. McGuire, Miss A. Geary, Mrs. S. Brown, Miss Jane Hoarn, Mrs. Margaret Crane, Miss M. McMahon.

The following officers were elected when the U. S. class met at 7832 Emerald Ave. last week: Fred Lowry, president; Marshall Heming, vice-president; Eugene Wenfer, secretary. Refreshments were served later in the evening.

AMERICAN ASS'N FOR RECOGNITION IRISH REPUBLIC

Joseph Murphy Council of the above association are making arrangements for a big mass meeting and membership drive on Thursday evening, April 7th, at Cosmopolitan hall, 79th and Halsted Sts. We have secured the services of very prominent speakers, including the Rev. Wm F. Cahill, state president of the American Association, who is an eloquent speaker and has a reputation of hitting straight from the shoulder. A good entertainment is also assured, as a few of the boys have promised to be with us and sing the songs of New Ireland. The names of the speakers and entertainers will appear in the next issue of this paper. This will be a historic meeting. You cannot afford to miss it.

M. CARROLL,
J. J. NEEDHAM, Chmn. of Com.
President.

Under the auspices of the Gresham Woman's Club, a lecture-recital will be given at the Hamilton Park field house Sunday, March 27th, at 3 p. m. All-American music, from the landing of the Pilgrims to the present date, will be given in costume. Miss Clare Rachafield will be at the piano and deliver the lecture. It is a carefully arranged program, at which time the following soloists will participate: Mrs. DeGraff, Mrs. M. Crabb, Mrs. Keyser, Mrs. T. Curtin, Mrs. W. Combs and Mrs. Anna Nyberg, violinist. The next meeting of the club will be April 1st, when a reception will be held for presidents and new members. It promises to be a very pretty affair under the supervision of Mrs. C. Hoyt.

If you believe in a good time, come to our "County Fair" March 24th, 25th and 26th, at Auburn Park Masonic Temple, 7832 Union Avenue.

Mr. John McKeown, late of 7811 S. Union Ave., died at his home on last Wednesday. He was buried Saturday from St. Leo's church, with interment at Forrest, Ill. He is survived by a widow and seven children.

OUR BABY

Our little baby's awful sweet and pink,
I never saw one quite like her, I think.
They say her eyes are blue. She sleeps so much
I haven't seen. I musntn't ever touch
Her head on top, nor pinch her wiggly toes,
Nor kiss her eyes, nor mouth, nor tiny nose.
She is so small and dear and awful pink,
She's all there is o' girls like her, I think.

—Isabel Forner Weddon.

EASTER SERVICES AT 7th PRESBYTERIAN

Special Easter services will be held at the Seventh Presbyterian church, 86th Pl. and Sangamon St., next Sunday morning and evening. The large chorus choir will sing "The Risen Lord," by C. Austin Miles, and "King of Kings," by Caleb Simper, under the direction of their excellent leader, Mr. Arthur G. Scheithe. They will be assisted by the Junior Choir at the evening service, under the direction of Miss Inda Thomas, the organist, whose organ selections will be "Resurrection Morn," by Edward Johnson; "Gethsemane," by Frysinger, and the "Hallelujah Chorus," by Handel, at the morning service, and "March Triomphale," by Ferrata; "Lenten Prelude," by Selby, and "Easter Postlude" at the evening service. The minister, Rev. Thomas Fulton Campbell, will preach in the morning on the theme, "The Risen Lord." A hearty invitation is extended to everyone to attend. Services will be held at 10:30 in the morning and 7:45 in the evening on "Daylight Saving Time."

GOVERNMENT OFFERS MANY SAVINGS PLANS

William B. Bosworth, government director of sales for treasury savings securities in the seventh federal reserve district, calls the attention of the general public to the fact that a great many people have thrift stamps lying about their homes and offices without realizing that they may turn them into interest-paying securities.

"It has come to the attention of the savings division of the treasury department that hundreds of dollars' worth of thrift stamps, bought largely during the excitement of the war, have been negligently cast aside," Bosworth said.

"Fill up the thrift stamp folders and exchange the completed cards for $5 savings stamps. Stamps of the new issue may be had at your local postoffice. Put your savings on an interest-bearing basis without delay."

Bosworth said there are now available $1 treasury savings stamps, $5 savings stamps of the series of 1921, and treasury saving certificates in the denominations of $25, $100 and $1,000.

The buried 25-cent stamps should be unearthed and exchanged for the higher denominations, affording interest on invested capital, he declared.

Miss Ruth Donovan of 8200 S. Peoria St. entertained a number of friends at a bunco party on last Saturday evening.

The entertainment held at St. Kilian's on St. Patrick's eve was a wonderful success.

CARE OF TEETH

By Dr. H. N. Novy

All questions relative to the care of teeth, mouth hygiene, etc., if of general interest, will be answered in this column. When space will not permit, letters will be personally answered.

The Third Molars, Or Wisdom Teeth

The third molars, or wisdom teeth as they are commonly called, erupt from the age of 17 to 24. Sometimes these teeth do not erupt until the 30th or 40th year and sometimes never.

It is invariably the general rule that the eruption of the third molare, especially the jaws, are attended with some degree of discomfort, due to gum and bone irritation. This, no doubt, is due to the insufficient development at the angle of the jaw or extreme density of the bone at that particular point.

The pressure of erupting third molar upon the second molar may cause neuralgic pains and at times the teeth in general as far forward as the front teeth may seem to loosen up and become tender to touch, and again become comfortable and tight. The symptoms may be repeated as the tooth continues its eruptive process.

For some months prior to eruption heavy, gnawing, rheumatic pains may be indefinitely located about the jaw and the ear of the affected side. The muscles of mastication may become stiff and contract spasmodically.

As the tooth advances the symptoms may become more and more severe. The gum may become inflamed, swollen, and be masticated upon and infection may follow. The patient suffers from the pain and is unable to masticate and swallow and becomes nervous, irritable, with the breath usually foul.

When the crown of the third molar is only partially erupted, a portion of it is covered by a thin curtain of gum tissue. This flap of gum resting upon the tooth forms a little pouch or pocket in which food packs, causing decay and infection and usually great pain, especially whenever the flap of gum is caught between the teeth in biting.

Sometimes we find associated with the eruption of the third molars a serious impaction with the lower third molar the most common offender. By impaction is meant the partial eruption of a tooth, or in more severe cases the partial or total imprisonment of a tooth in the jawbone. This abnormality is not confined to third molars alone, as we may also find impacted teeth in other parts of the mouth.

These impacted teeth may cause endless pain and suffering and relief comes only after removing the cause, which is the impacted tooth.

A sure and safe plan to determine whether one has an impacted tooth in the jawbone is to have an X-Ray taken.

TEARS

Those salty pearls, we know not what they mean
That well from out the depths of our despair;
Perchance they come from realms of might have been—
To tell of hoped for joys that never were.
And as the thoughts arise from memory's book
So flow those pearly streams from nature's brook,
Coursing adown the paths where joy and fears
Have played at odds through all the bygone years.
Relieving thus the grief over-burdened brain
Blest as a God-sent shower of summer rain.

If you want to have a good time, meet all your old friends and help a good cause, come to the dance to be given by the Y. L. S. of St. Kilian's at Englewood K. of C. hall, 63rd St. and Harvard Ave., on April 15th.

Monday night was the social meeting of the Young Ladies of St. Kilian's. As usual all reported a good time.

"Make Good or Make Room"

This has been alled "The Tragedy of Progress." A business man or a business woman in this Twentieth Century must do one of these two things, i. e., "Make Good" or "Make Room" for someone else. There is no happy medium.

To make good in your business ventures, in the service you render your employer, in your home-life, and among your neighbors—YOU MUST BE HEALTHY.

To be Healthy, you MUST POSSESS A NORMAL SPINE.

All medical men who are liberal minded and not blindly prejudiced, all scientists and, above all, all people possessing common sense now admit that the spine is the keystone of the human body; and that if it is out of alignment (in other words out of line), there is bound to be a pinching of the nerves which will prevent the vital force from flowing uninterruptedly to the various organs. The result is so-called dis-ease of those organs which are not receiving their proper quota of life force.

The competent Chiropractor is a spine specialist. He palpates the spine carefully and ascertains exactly where the vertebrae (small bones) are out of line (subluxated). Using his bare hands alone he, by means of Chiropractic Vertebral Adjustments, puts these vertebrae back in line. The nerve pressure is thus relieved, the life force flows freely to the organs involved, and HEALTH IS THE RESULT.

Don't wait until you are "all in, down and out" before consulting a Chiropractor, but at the first sign of danger (slight though it may be) ask for a SPINAL ANALYSIS. If it is found that your spine is out of alignment, take CHIROPRACTIC VERTEBRAL ADJUSTMENTS as often as your Chiropractor deems necessary and you will be healthy and will "MAKE GOOD."

While the morn is thine,
While in the eastern sky
The sun-rays shine.

Thy lips keep clean
Speak not unholy thoughts
Into another's ear
That brings thee naught.

Let thine hands do right
Touch not another's gold,
Lest Satan thee adorn
With his private tag "Sold."

That step, be careful, watch,
There are highways glum with sin,
That dim your soul;
Where heaven can't enter in.

In the good book there are proverbs
Written for me and you,
To read them every day
To live thus and to do.

Then when at close of day
The sun-rays hide away,
You sense God's peace;
Because you chose this day.

WHAT CAUSED THE WAR

Mammon and Mars in a palace grand
Met one fine summer's day
And they wined and dined on the fat of the land
Like hungry birds of prey.
From Humanity's breast they filled their cups
With a vintage rich and red,
And greedily chewed between the sups
The hearts from which 'twas shed.

Said Mammon to Mars with a drunken leer,
"We must stand by our friend Commerce,
Our comrade true of many a year
Who speaks in a language terse.
Many a thrilling jaunt had we
Over the seas of spoil.
In our good ship Ark of Hypocrisy,
Our fuel the sons of toil.

"What care we for the widow's moan
Or the hungry orphan's cry?
We must get what we claim is our own
Though millions of toilers die.
'Tis we must keep the parasite's crown
Tight on his royal head,
Even though God on our actions frown,
And we reek of the blood thus shed."

Said Mars to Mammon, "Let's drink the toast;
Here's to Diplomacy,
Our first, our last, our proudest boast
Who rules the democracy.
Give him his way and he'll win the day
O'er the millions who toil and spin,
And while I gird on my sword for the fray
You lure the toilers in."

"Well said," quoth Mammon, "the die is cast,
Now let us drink our fill.
The sons of toil from first to last
Must stand for, and pay the bill,
While we, with Commerce by our side,
In a sea of blood and gold,
O'er the turbulent waves of war will glide,
Old Hypocrisy full in each hold."

TO FIX PRICE FOR PIECE OF PIE

The proverbial piece of pie is going to cost Mr. Ultimate Consumer a little less if plans now contemplated by aldermen don't go awry.

The price of the old coffee and rolls also is due for a drop under the plans laid down.

Robert S. Iles, counsel for the committee on foodstuffs of the city council, outlined the objects of the campaign recently as follows:

First—to fix a fair price for ordinary pie at 10 cents a portion.

Second—To fix the minimum size of a portion at one-fifth of a pie.

Pie prices will be included in the "deadly parallel" list by which the committee intends to show that restaurants are charging too much. The price lists and the weights of food portions served in restaurants, drug stores, cafeterias, and hotels in all sections of the city will be published.

Five cents was set as a fair price for a cup of coffee and five cents for rolls in the Iles campaign plans. Coffee and doughnuts are to be served at 10 cents and in no case shall the price exceed 15 cents, the plans set forth. A roast beef sandwich and other meat sandwiches containing an ounce of meat can be sold for 15 cents at a large profit, Iles declared.

FORTY VARIETIES OF AERIAL MAIL STAMPS

Over forty varieties of specially designed postage stamps for air mails have already been published, much to the joy of the philatelists. Italy has the credit for the first air stamp which was issued by the Italian postal authorities as long ago as 1917. The United States, Canada, Newfoundland, Sweden, Spain, Switzerland, Esthonia, Colombia, and the Belgian Congo have all considered it desirable to issue special stamps to their peoples. Tunis has even produced a second contribution. Needless to mention, Germany and Hungary were early in the field, rightly considering it an excellent means of educating the people in the practical side of aviation.

WILL NOT COUNT BOND BALLOTS

The ballots cast for the bond issue cannot be and will not be counted if Judge Frank S. Righeimer, in charge of the election machinery, orders a recount of the votes cast for Alderman George M. Maypole and Daniel Gerst, aldermanic candidates in the Fourteenth ward. Alderman Maypole said that he willingly would consent to a recount if the votes cast for the bond issue were counted at the same time. "The bond issue was held as a special election," George F. Lohman, chief clerk of the election commissioner's office said today, "and had no connection with the election other than being held on the same day. Neither the election commissioners nor any other body could consent to such an arrangement."
